A LITTLE MORE CONNECTED. A LOT MORE POSSIBLE.

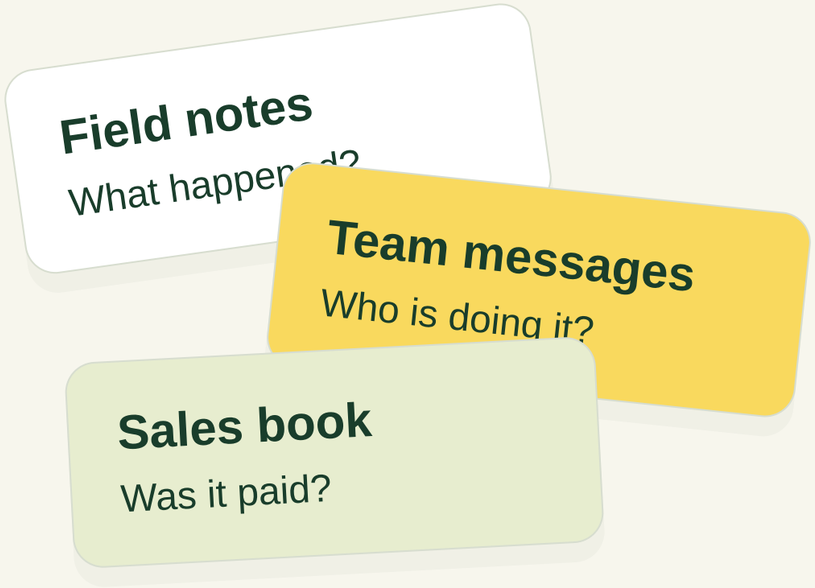

One farm. Everything connected.

From the first plan
to the next paid sale.

Grow with a clearer picture.

Less chasing. More farming.

ONE CONNECTED WORKSPACE

Plan. Do. Record.

Farm · Team · Stock · Money

The work and its records,
in the same place.

Four simple ways to move your farm forward.

01

Grow & care

Seasons, plots
and animal records.

02

Today’s jobs

Clear tasks.
A connected team.

03

Harvest & sell

Stock, sales
and your farm shop.

04

Money

Income, expenses
and season totals.

Plan the season. See the next job.

Put plots, schedules and animal history in context.

The season is the thread.

What you observed

Animal seasons can keep feeding, health and breeding events together.

Give every job a clear owner.

Who. What. When. And what was used.

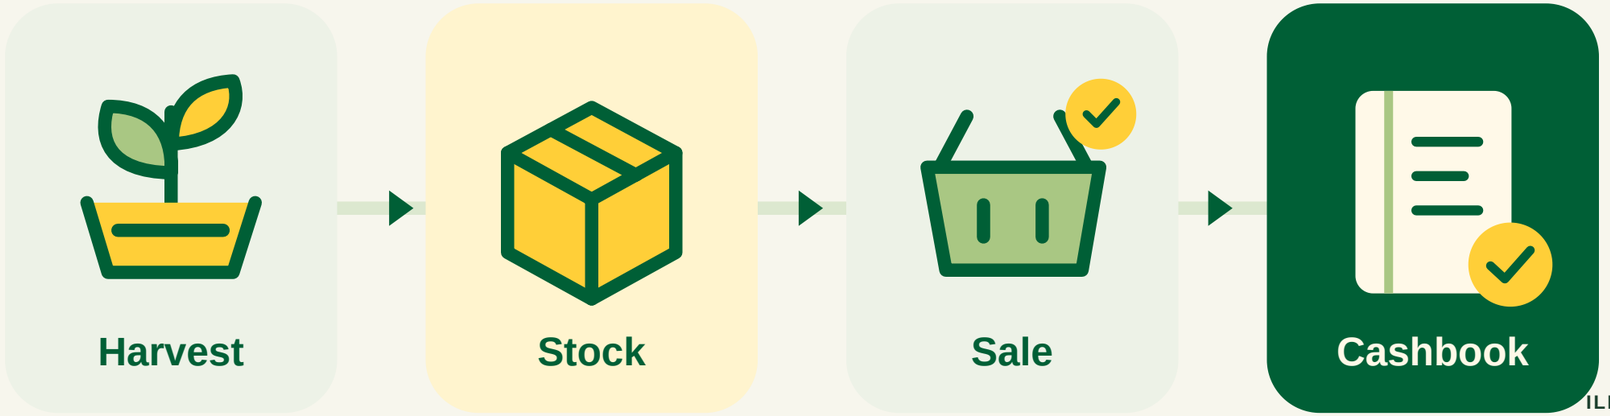

ILLUSTRATIVE TASK BOARD · SAMPLE PEOPLE & JOBS

Work leaves a useful record.

Assigned jobs.
Recorded stock usage.
Role-based access.

One harvest starts a connected flow.

ILLUSTRATIVE CONNECTED FLOW

01 **Harvest → stock**
Record what came in.

02 **Confirm paid sale**
Stock goes out once.

03 **Cashbook updated**
Income is linked.

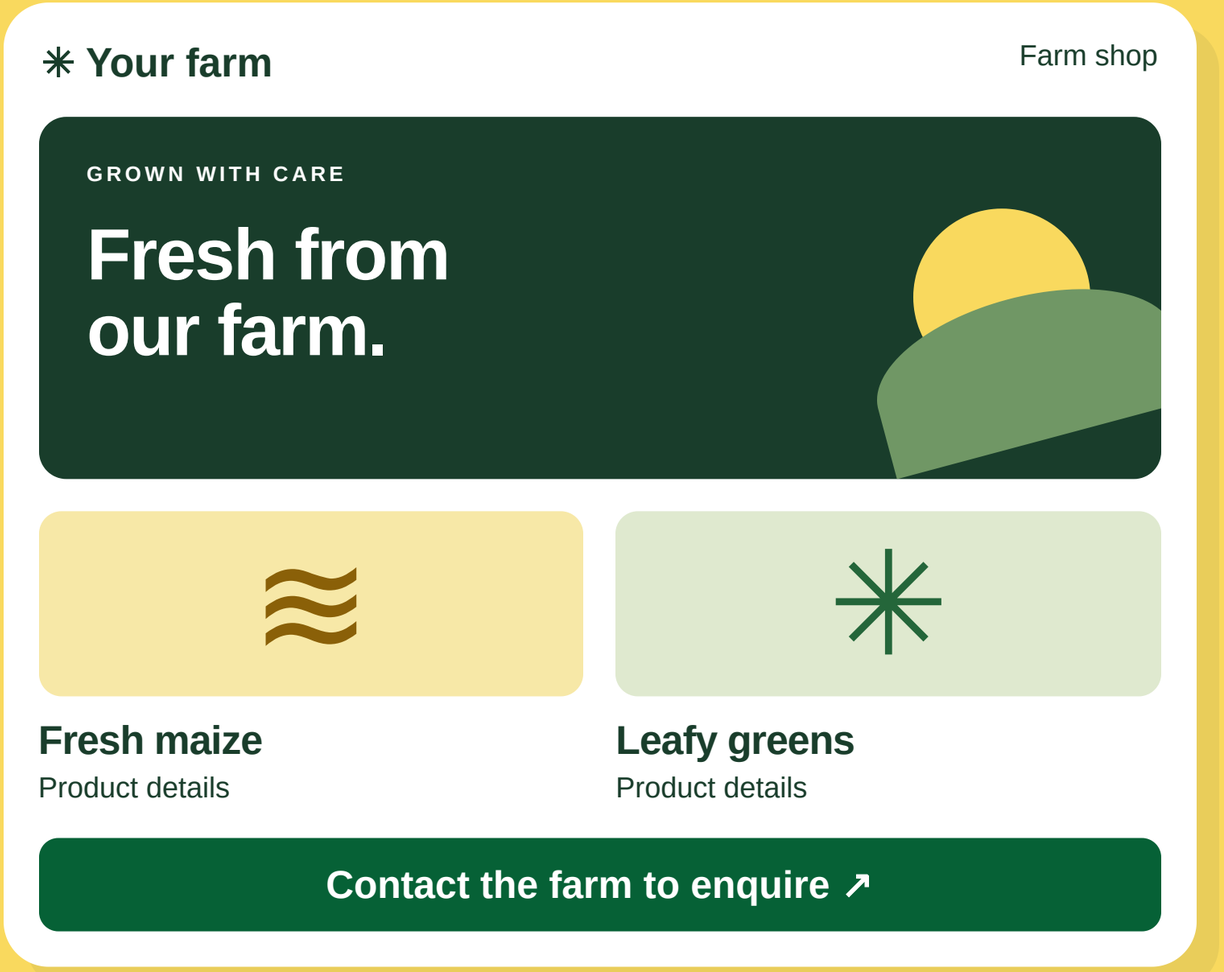

One confirmed cash sale. Stock + income saved together.

Your farm becomes your shop.

Your look. Your products.
A direct conversation.

Enquiries, not online checkout.

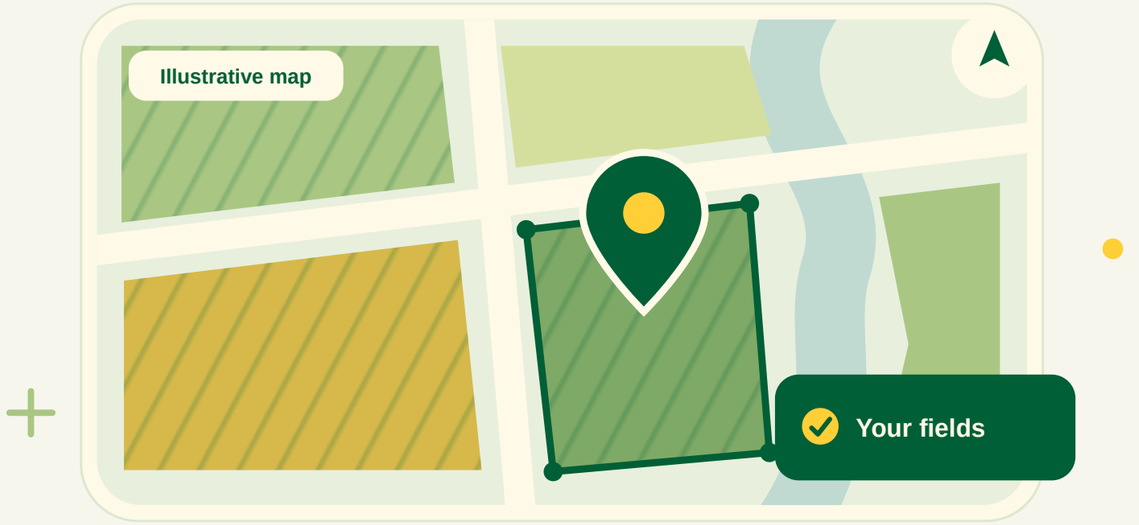

ILLUSTRATIVE STOREFRONT · SAMPLE PRODUCTS

A clearer view of your area.

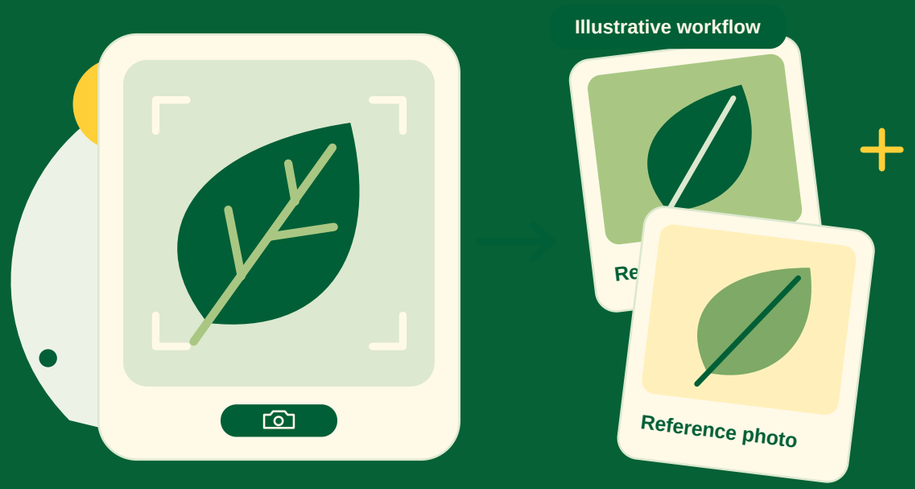

Road maps. Dated satellite imagery. Weather forecasts.

ILLUSTRATIVE AREA VIEW · NOT LIVE MAP DATA

Context, not crop diagnosis. Clouds, resolution and imagery dates matter.

Point. Scan. Compare.

Explore Pl@ntNet suggestions, taxonomy and reference images.

A suggestion is not a diagnosis.

ILLUSTRATIVE SCAN · NOT AN ACTUAL RESULT

Ask in your own words.

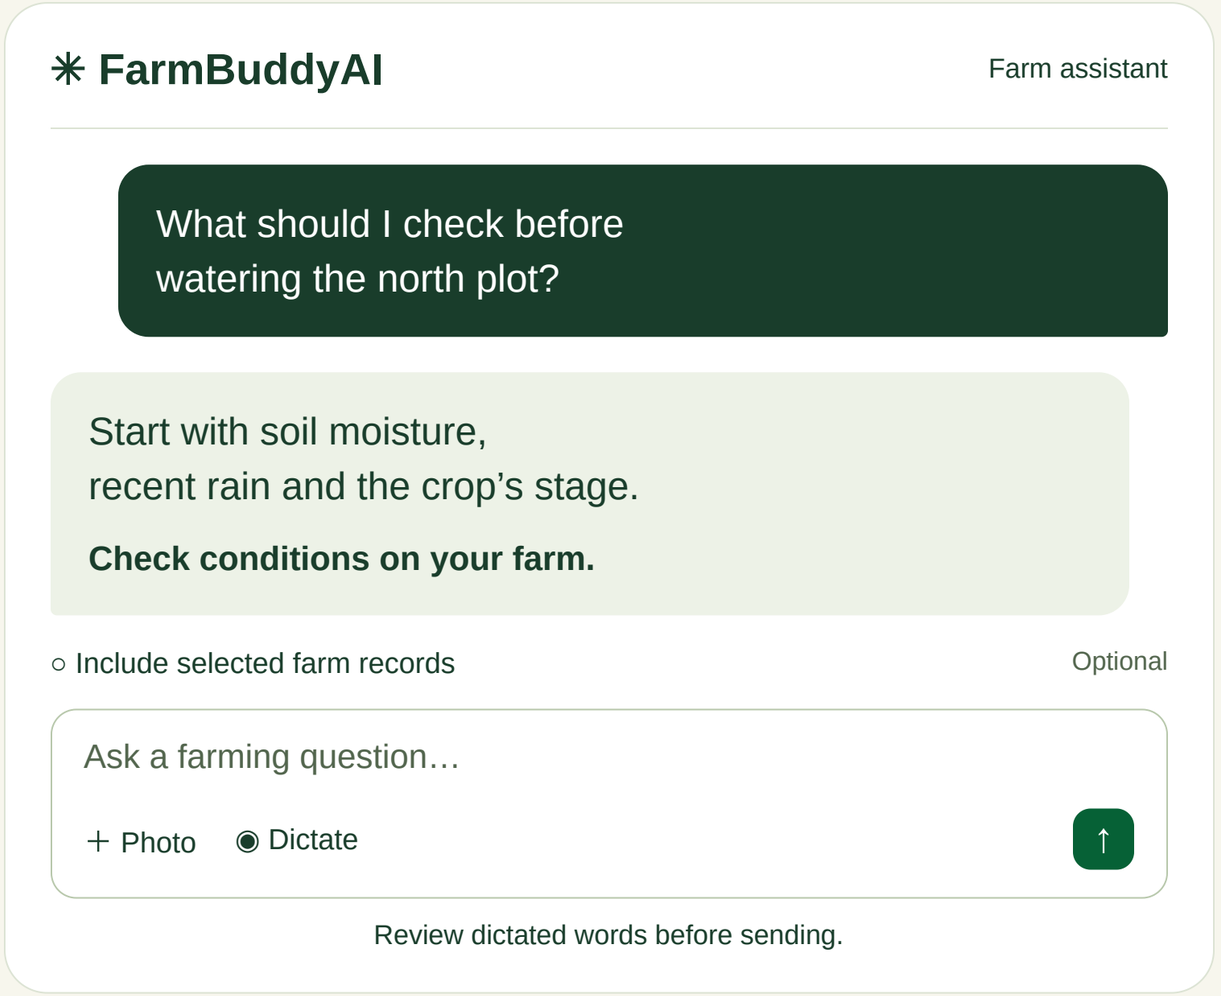

Type a question. Add a photo.
Or dictate, review and send.

The right access.
For each role.

Owner, manager,
worker and viewer.

Permissions, not just labels.

Records & photos.
A connected base.

Cloudflare D1 data.
R2 object storage.

Online services still need connectivity.

YOU DON’T HAVE TO DO IT ALL AT ONCE.

Start with one job.

Choose the work in front of you.
Let the records connect from there.

Grow & care → Jobs → Harvest → Money
